The White House Grounds and Gardens
1984—1988

Preface

The White House grounds and gardens are a living monument. The landscape character has evolved through many administrations, covering a span of nearly 200 years. In these grounds and gardens the seasonal changes are continual and the annual improvements unending.

It is, therefore, important to document for future generations one of the most famous gardens in the world. This booklet records for posterity the image of the White House grounds during the second term of the Reagan administration, 1984 to 1988. It supplements previous volumes published for 1976-1980 and 1980-1984.

The White House Grounds

1984–1988

North Panel

'88 *On April 22 an American yellowwood was removed to permit the installation of a replacement waterline. Section 4/Tree 8.*

'88 *On April 22 a white flowering dogwood was removed because of overcrowded conditions that threatened the health of the other flowering dogwoods in the planting bed. Section 4/Tree 33.*

'88 *In May a willow oak was planted to replace a bur oak removed in 1984. Section 1/Tree 2.*

Middle Panel

'86 *Two red maples, seven columnar hornbeams, eight Japanese maples, and three willow oaks were planted during the summer as part of the new patio garden installation. Section 8.*

'86 *The giant sequoia commemorated in 1971 by President Nixon was removed on September 10 because of disease and declining habit. Section 9/Tree 25.*

'87 *In April several Nellie R. Stevens hollies were planted along the east perimeter fence near the southeast gate. The existing rhododendrons were replaced with Delaware Valley White azaleas. Additional winter-creeper was planted as a ground cover along the hillside. Section 10.*

'87 *A red ash was removed on August 26 because of disease and declining habit. Section 10/Tree 18.*

'87 *A silver Atlas cedar was planted on the east knoll on October 7 to replace the former specimen that had blown down several years ago. The installation of this tree restores the balance to the open vista. Section 9/Tree 12.*

'87 *On May 7 a 25-foot-high Leyland cypress hedge was installed at the top of the west slope as part of the pool refurbishing project. Additional Leyland cypress trees, along with hollies and azaleas, were installed in the planting beds around the pool as part of the overall project. Section 8.*

'88 *On September 15 a katsura tree was planted; it was donated by William R. Heard, AAN—Heard Gardens, Illinois. Section 10/Tree 31.*

'88 *On October 24 President Reagan commemorated the planting of a 14-year-old willow oak, which was donated by the American Association of Nurserymen. This tree replaced a scarlet oak that had been planted in 1955 and was removed on August 17 because of disease. Section 9/Tree 1.*

South Panel

'86 *Nellie R. Stevens hollies, azaleas, and liriope were planted in the children's garden area. The existing Stayman Winesap apple tree was replaced with a Red Delicious variety, donated by the U.S. Department of Agriculture in Beltsville, Maryland. Section 12/Tree 18.*

'87 *The existing azalea bed near the southeast gate was replanted with Blaauw's Pink azaleas during the month of April. Section 11.*

'88 *On May 24 a large storm broke an existing leader off the American elm near the tennis courts. The huge branch fell across the tennis court and destroyed a saucer magnolia and two American hollies. On June 3, tree surgery was performed on the American elm trunk. To replace the trees damaged by the storm, Nellie R. Stevens hollies were planted June 7 and 8, and a star magnolia was planted June 9. Section 12.*

Landscape Summary

'85 *North Grounds Roadway*

The existing east and west tradesmen drives were resurfaced with asphalt, the oval in front of the West Wing was modified, and granite curbs were replaced. This work was completed in September.

'86 *Children's Garden Additions*

A pathway leading out of the garden to the west was installed to improve circulation through the garden, especially during the spring and fall garden tours. Nellie R. Stevens hollies were planted behind the annual beds to create a sense of enclosure.

'86 *President's Patio Garden*

A new patio garden, installed during the summer, features stone paving, steps, and walls. The high wall along the west side has a lion's-head fountain spilling over into a small pool at the base of the wall. Japanese maples, hollies, azaleas, and a variety of ground covers and annual/perennial beds create color and interest throughout each season. Dark green patio furniture further complements this area.

'86 *West Patio*

Completed in the late spring, a patio garden for the chief of staff was installed. A white arbor was built, stonework paving was installed, and new plantings of red maples, hornbeams, azaleas, and Japanese hollies were added.

'87 *South Grounds Fountain Repair*

Maintenance work was carried out over the winter to repair the fountain heaters.

'87 *East Executive Park*

A project to transform the four-lane street on East Executive Avenue into a pedestrian park was begun in September 1985 and completed in February 1987. A grass panel separates a narrow asphalt vehicle access from a walkway of granite and concrete pavers that runs along the east perimeter fence of the White House grounds. Willow oaks and round planters filled with colorful seasonal flowers accent the pedestrian walkway. Benches, bollard lighting, and a fountain architecturally complement the area. At the south and north ends of East Executive Park, ornamental black wrought-iron security gates, planters, and interpretive signs greet pedestrians.

'87 *South Grounds Roadway*

The existing asphalt roadway was resurfaced from July through September.

'87 *East Roadway Restoration*

In the spring the asphalt on the existing roadway under the east portico was removed to expose the former cobblestone drive.

'87 *South Grounds Replacement Sod*

Replacement sodding and regrading around the fountain was completed during the fall.

'88 *Pennsylvania Avenue Bollards*

Construction began in January to install exposed-aggregate concrete bollards to replace the existing concrete jersey barriers along Pennsylvania Avenue, from East Executive Park to West Executive Avenue. New granite curbs, edging, and restored streetlights were included in the work, which was completed in October.

'88 *North Grounds Waterline Replacement*

In March, 420 feet of new waterline was installed to replace the deteriorated cast-iron pipe that was originally put in over 40 years ago.

'88 *West Slope Restoration*

During the summer a new section of sidewalk was installed on West Executive Avenue, and new willow oak street trees were planted. The existing fence coping was repointed, and the fence was painted. The slope was restabilized with new soil and plantings of wintercreeper ground cover.

'88 *Swimming Pool Repair*

The refurbishing of the existing pool and surrounding pool deck was completed in August.

'88 *South Grounds Replacement Sod*

Replacement sod was installed in the east, west, and middle panels, to the south grounds roadway. Work was completed in August.

The White House Grounds

Trees

Symbol Key

Broadleaf Deciduous Trees
Elms, oaks, maples, chestnuts, beeches, ashes

Needleleaf Deciduous Trees
Bald cypresses

Flowering Trees
Crab apples, dogwoods, magnolias

Broadleaf Evergreen Trees
Southern magnolias

Small Ornamental Trees
Japanese maples, birches

New Tree

New Shrub

Needleleaf Evergreen Trees/Shrubs
Pines, spruces, yews

Large Broadleaf Evergreen Shrubs
American, Nellie R. Stevens hollies

Broadleaf Evergreen Shrubs
Azaleas, boxwoods, hollies

Deciduous Shrubs
Forsythia, spirea, viburnums

Ground Covers
English ivy, wintercreeper, annuals

Tree Removed

Note: Symbols used indicate type of plant removed or planted. Shrubs or ground covers that have been removed are not shown. Plant locations are based on original surveys of 1970 and changes updated through 1988.

No.	Common Name	Botanical Name	Date Planted
1	SCARLET OAK	Quercus coccinea	1955 (Removed 1988)
★ 1	WILLOW OAK	Quercus phellos	1988 REAGAN
2	YELLOW BUCKEYE	Aesculus octandra	–1900

Notes: A star (★) indicates a commemorative planting by a President or First Lady. A minus sign indicates plantings installed prior to date shown.

The reference for botanical names is Hortus Third: A Concise Dictionary of Plants Cultivated in the United States and Canada *(New York: Macmillan Publishing Co., Inc., 1976).*

The White House Grounds

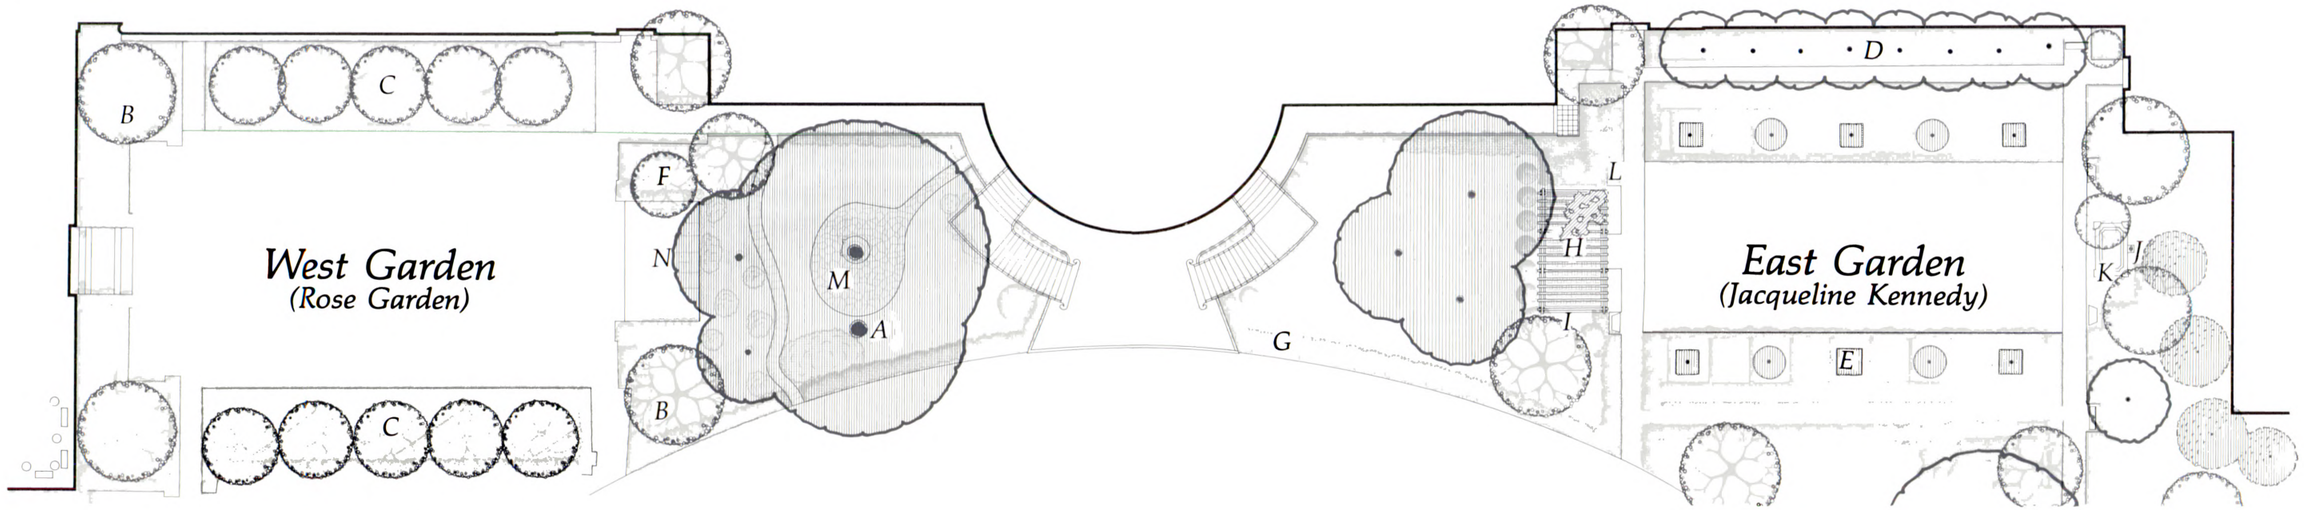
The East and West Gardens

Garden Details



Key Plantings

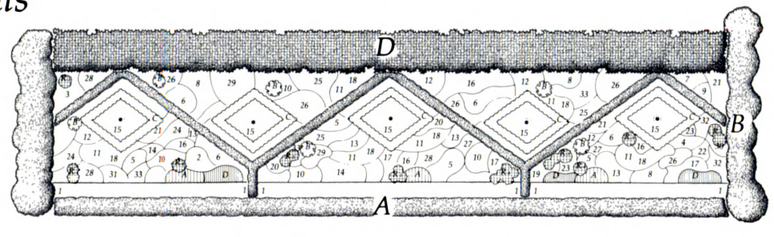
A	Jackson Southern Magnolias	*Magnolia grandiflora*	
B	J.F. Kennedy Saucer Magnolias	*Magnolia x Soulangiana*	
C	Katherine Crab Apples	*Malus 'Katherine'*	
D	Small-Leaved European Lindens	*Tilia cordata*	
E	American Hollies	*Ilex opaca*	
F	Washington Hawthorn	*Crataegus Phaenopyrum*	
G	Holly Osmanthus	*Osmanthus heterophyllus*	

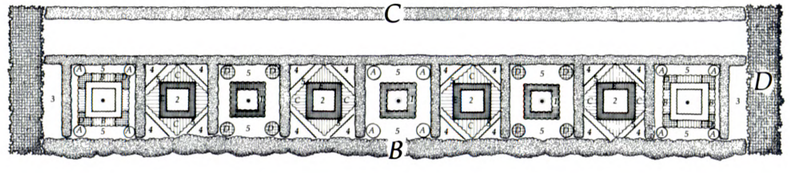
Garden Ornaments

H	Pergola		1965
I	Trellis and Window		1982
J	Sculpture	Artist, Silvia Shaw Judson	1965
K	Pool		1965
L	Benches	Fillmore Administration	1850
M	Furniture	Gift of Amelia Riggs	1973
N	Wood Bench	Gift of Mrs. Paul Mellon	1983

No.	Common Name	Botanical Name	Flower Color	Time
1	BLUE SALVIA	*Salvia farinacea 'Blue Bedder'*	Violet-blue	June-Aug.

Border Details



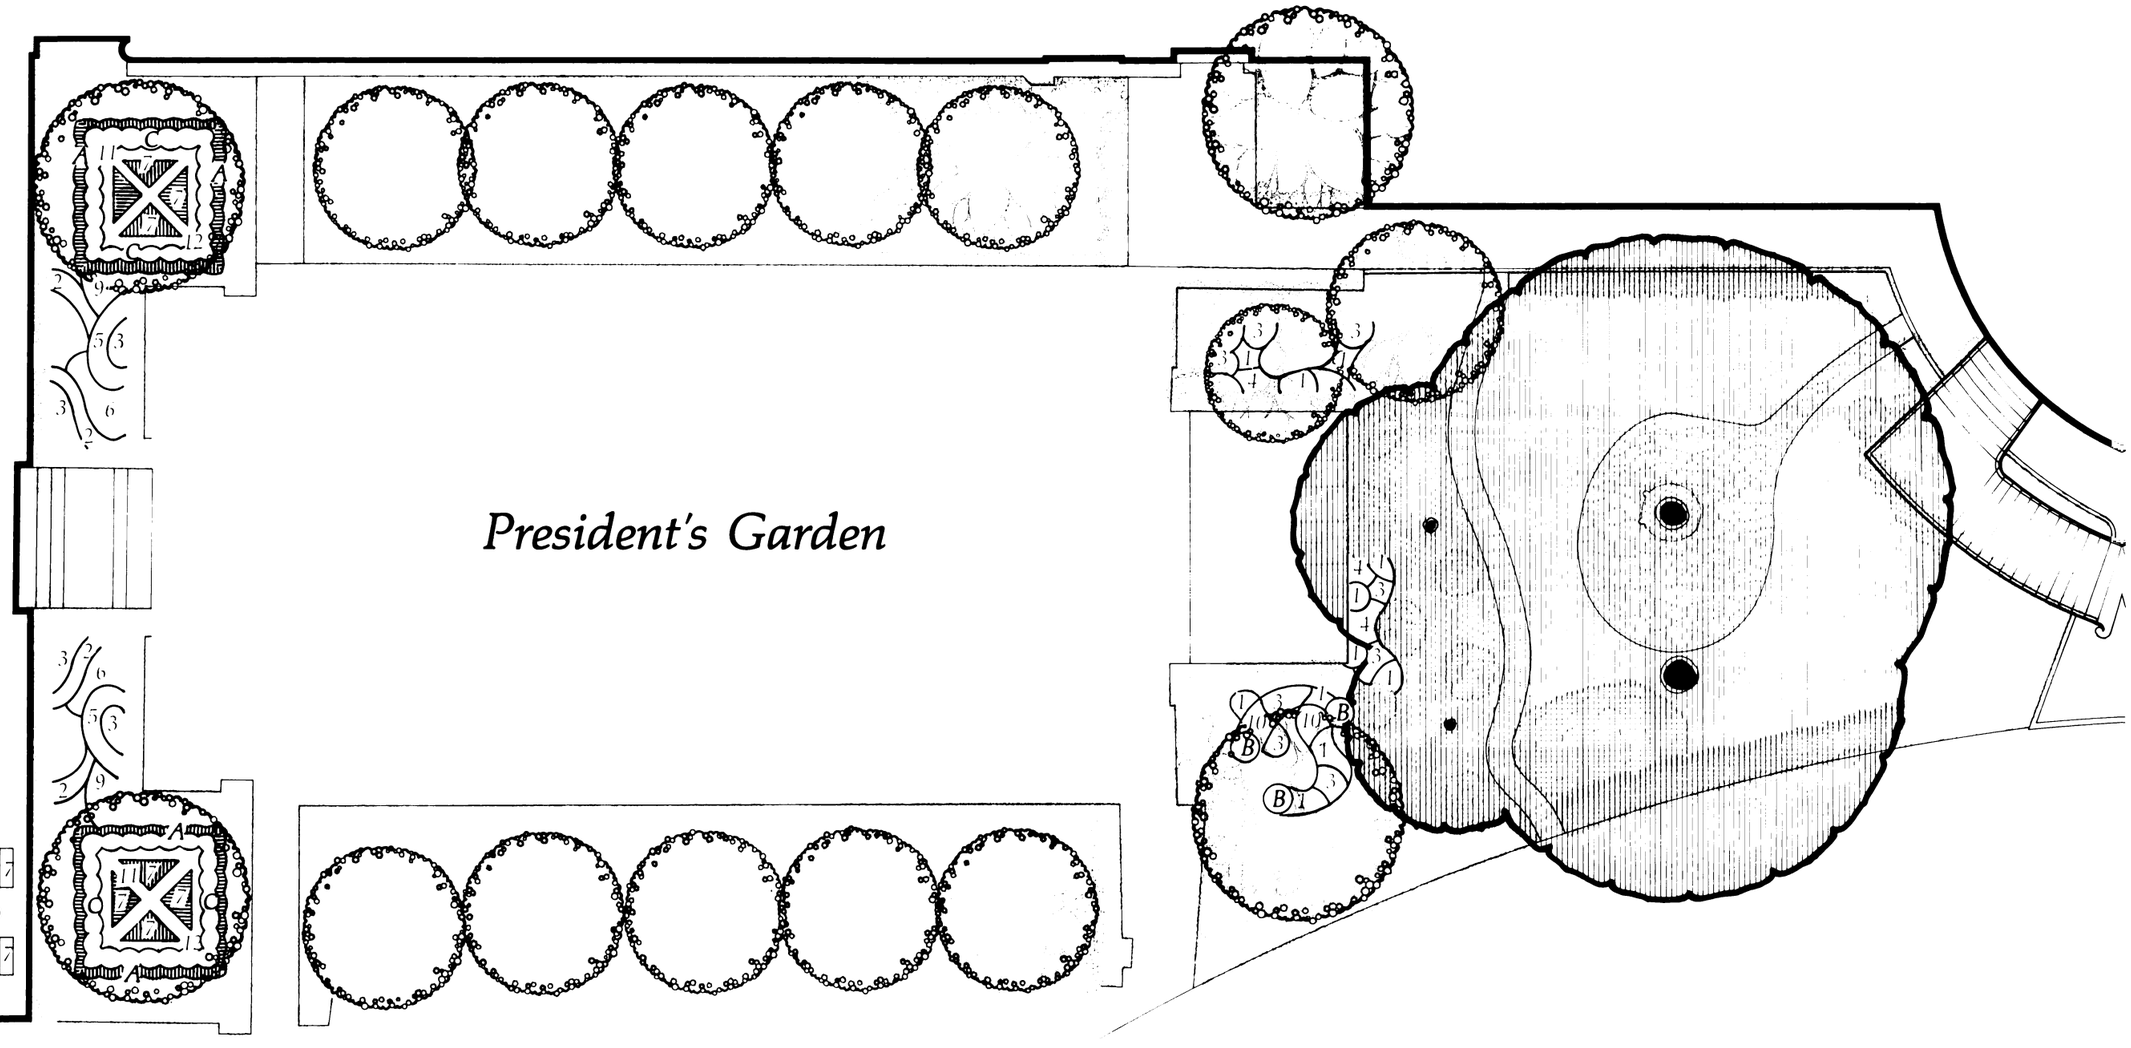


Hedge and Border Plantings

A	GREEN PILLOW BOXWOOD	*Buxus microphylla 'Green Pillow'*
B	TRUE DWARF BOXWOOD	*Buxus sempervirens 'Suffruticosa'*
C	CONVEX-LEAF HOLLY	*Ilex crenata 'Convexa'*
D	HOLLY OSMANTHUS	*Ilex heterophyllus*

North border panel is shown; south border panel is similar but opposite hand.

Legend



Perennials

A	EPIMEDIUM	*Epimedium x versicolor*	Red	Apr.-June	C	PLANTAIN LILY	*Hosta marginata*	Lavender-purple	Late July
B	PLANTAIN LILY	*Hosta Sieboldiana 'Elegans'*	White on 2' spikes	July-Aug.					

Seasonal Plantings

1	GRAPE HYACINTH	*Muscari botryoides*	Violet-blue	April-May	7	DARWIN HYBRID TULIP	*Tulipa 'Oxford'*	Scarlet red	April
